Seeking Right Relations

**Refrain: Hey ney yana**

**One:** We light the white candle to honour the people of the Mississauga of New Credit First Nation. We acknowledge, with respect, their history, spirituality, culture and ways of knowing. We recognize our responsibility as treaty people to live with respect on this land and in peace and friendship with its people.

**All:** **We acknowledge the continuing injustice and commit ourselves to seeking right relations with all the First Peoples of Canada. May the Creator's wisdom work within us toward mending the torn tapestry of this land.**

**Refrain.**

\*Opening Hymn VU #109 Now Quit Your Care

Opening Prayer  
VonRue

adapted from Jennifer

**We come to this space, this sanctuary of peace, not only create our best selves, but to also do the work of creating a beloved community. We come together today as individuals much like individual pieces of glass or pottery that are different shapes, sizes, and colors, all of which are broken, with imperfect jagged edges, but always beautiful.**

**While our pieces may not always fit neatly together, it is within this sanctuary, that we gather together to create a beautiful mosaic. May we find brokenness and beauty in one another and may it create peace in this space and fill our hearts with love as we create worship together. Amen.**

**Refrain.**

\*Sharing the Peace

**We Share in Word and Song**
